

REMARKS

In the Office Action of January 25, 2010, the Examiner rejects claims 1-6 as being obvious over the cited prior art. However, claims 2 and 4-6 were canceled in a preliminary amendment and claims 1 and 3 were amended. The undersigned held a telephone interview with the Examiner on March 15, 2010, where the undersigned pointed out that the examination was done on the wrong set of claims and the Examiner agreed to issue a new office action with a new deadline for response. This response re-iterates that agreement in writing.

The Commissioner is authorized to charge any additional fees which may be required or credit overpayment to deposit account no. 12-0415. In particular, if this response is not timely filed, the Commissioner is authorized to treat this response as including a petition to extend the time period pursuant to 37 CFR 1.136(a) requesting an extension of time of the number of months necessary to make this response timely filed and the petition fee due in connection therewith may be charged to deposit account no. 12-0415.

I hereby certify that this document is being transmitted to the Patent and Trademark Office via electronic filing.
